**LAST THURSDAY --  
 August 12, 2004**

by  
 Jim Holmberg

A picture is worth a thousand words, and worshipful dance powerfully demonstrated the "Soul Food" title of Dr. Charles Reese's speech. Last Thursday's presentation by the liturgical dance troupe from Fisk University earned a standing ovation from Club 13 with their stirring demonstration of the role of dance in worship.

Dean of the Gospel Music Workshop meeting in K.C., Reese told us that gospel music has been a source of hope and courage to Afro-Americans throughout history. He says that the musical contribution of gospel music has served that community in many ways: as an emotional outlet; a means of teaching; a means of communications; and a great source of encouragement.

A real joy was the recognition of "Mr. Music" **Tony DiPardo's** 92nd birthday and a real surprise was the presen-

tation of his birthday cake by Buck O'Neal. Kudos to President **Sally Bibb** for her "Living and Giving" tribute to **Tony**. The joy in **Tony's** heart and his affinity for service is a model for each of us.

Prez **Sally** announced the soon to be published holiday music CD being produced by **Ann Johnson** and **Diane Scott**. This eclectic collection will feature a wide range of musical styles from blues and jazz to rock 'n roll and is a fundraiser for Polio Plus. There's advertising space available on the back of the sleeve and the CDs will be available in time for Christmas gifts.

She also reminded us that we're heading into a busy fall. Mark August 26 on your calendars for the annual Club 13 Family Picnic at the Youth Camp. Contact **Jim Shultz**, **Tony DiPardo** or the Rotary office if you have a last minute bingo prize to donate. Chairperson Paula Willett is on the lookout for a few good Rotarians to serve as discussion leaders and dining room help.

Remember the Club 13 bowling league starts Sept. 7. League President **Dick Harmes** can fill you in on the fun and fellowship benefits.

**Mike Hennessy** welcomed our visitors and guests. **Marie Whitmer's** invocation taught us to "flect" on our blessings including recent beautiful weather, Rotary fellowship, revitalization of downtown and an opportunity to serve. **Tom Tupper** and Maestro **Carl Bolte** helped us open our meeting in song. See you next Thursday.

**Member Milestone**

"Member Milestone" will be a new addition to our publication. This column will recognize news about our Family of Rotary, which includes spouses and children.

We want to know about your special event, happenings or awards. We hope with your help to publicize the special milestone in your life.

Contact **Karen Haren**, chair of the Family of Rotary Committee at 816/231-3173x135 or Janet in the Rotary office at 816/842-2322 to share the information for us to pass on.

**HOLIDAY CD PROJECT**

Rotary Club 13 is producing a holiday CD, with music recording nearly finished and duplication scheduled for early September. Net proceeds from the CD will be a contribution to the Rotary International project to eradicate polio worldwide. This contribution will fulfill Club 13's commitment to the Polio Plus project. The CDs will be for sale in mid-September for \$20 retail and \$15 to Rotarians. There is still advertising space available on the back cover of the CD case. If interested in advertising your business and associating your company with such a worthwhile humanitarian project, contact CD Steering Committee Chair **Diane Scott** 816.234.4140 or CD Fundraising Chair **Ann Johnson** 816.319.7948 by August 27.

## Short Term Youth Exchange Fun

Seanacie Turner, daughter of Rotarian Eric Turner of Chillicothe remembers the fun she had this summer - not only in France, but in Italy and Switzerland as well. Her host in France was Axel Chiris of Montelimar which is located near the Mediterranean in Southern France. Eric was originally paired with a girl her age, but the French girl had an auto accident in May, so the French Youth Exchange office paired her with a boy acceptable to Seanacie. Eric's application showed him high in the air on a motorcycle.

Motocross racing is Eric's sport, and when he arrived in Chillicothe for three weeks he was introduced to a professional motocross racer there.

What is your son, daughter, or grandchild doing next summer? If he or she will be 16 to 19 next summer, send for a Rotary Short Term Youth Exchange brochure and application now. There is no better vacation bargain than this program. France, Germany, and now Sweden are hosting next summer. Contact **Bill Buckner** at 816 444-6881 or the Rotary office.

## Camp Enterprise '04

Don't forget that Camp Enterprise is just around the corner (Sept. 18-19) and your committee is busy making plans for this program.

Club 13's annual Camp Enterprise, held for approximately 100 high school juniors at our Rotary Youth Camp each September, teaches some of our outstanding youth about the American free enterprise system.

Remember, these students are our leaders of tomorrow!

We need your support as volunteers at the camp. If you are interested in working with us, please contact **Scott Holsman** at 816/756-1901.

## Tyro Social at Linda Hall Library

Look for your invitation in the mail and RSVP by Sept. 3.

Tyros, you can earn four points for attending this social.

## Bowling Starts Soon!

Since 1925, bowling has been a major activity of Club 13, providing for Rotary fellowship and a quick way to become acquainted with

an active group of the club's membership.

This year's bowling league president, **Dick Harmes**, is encouraging more Club 13 members to sign up, especially tyros and anyone who has never bowled before but wants to be part of this fun activity.

We bowl Tuesday at 4 p.m. (treat it as a business appointment), at the AMF West Lanes, 8788 Metcalf, Overland Park, KS. The first night is Tuesday, Sept. 7. Please sign up now, so that teams can be organized.

## Indian Summer Golf Outing

Mark your calendars for Wednesday afternoon, Oct. 6; 1 p.m. shotgun start. Deer Creek Golf Course, 7000 W. 133rd, Overland Park, KS. Cost of \$70 each includes green fee and cart, drinks on the course, and a buffet dinner after golf in the clubhouse.

This is a Club 13 fun and fellowship event, not a fund-raiser like our Spring Rotary Youth Camp Classic. We will be playing a two-person team, handicap format of some kind, so we encourage you to get a fellow member now and sign up. It's a good way to get to know someone new—a lot of tyros have indicated golf interest.

## New Web Tool Allows Club Members to "Check Schedules"

How many times have you scheduled a meeting with your committees only to find out that three other meetings are already scheduled? How many times have you scheduled a major event for the club only to find that it may be too close to Kansas City Day, the Changing of the Guard or some other event? Your problem is now solved!

The Technology Committee is in the midst of a major overhaul of the club's website, [www.rotary13.org](http://www.rotary13.org). The new "Events" portion of the site, now available to all members, will allow you to submit new dates and see what other activities are going on with the club during the Rotary year.

The Events page is now an interactive calendar allowing you to see, at a click, specific information about the activities of our committees making everyone's scheduling much easier.

You can even use the new tools to submit your committee's event. Just fill out the form in the Events section and submit it.

To view the new interactive calendar go to [www.rotary13.org](http://www.rotary13.org) and click on Events.

Thanks to **David McCaughey**, **Phil Kinney** and **Bill Nofsinger** for working so hard on this new feature. Look for more new and exciting changes to the site over the next few months.
