LAST THURSDAY --
June 10, 2004

by
 Bob Weir

President **Rick** opened his next to last meeting at the Marriott, which most of the members found, some after roaming through the Muehlebach. (Read your *Buzz Saw*!)

Not bad without **Bolte's** piano, **Harlan Stamper** led us thru "God Bless America." **Brandon Boulware** gave the invocation, followed by guests being welcomed by from **Sarah Hatfield**.

President **Rick** took executive initiative and tabled the by-law change on officer elections until further study.

Ed Knisley promoted the COG Banquet by reading the menu provided by **Heather Minor**. I was full after just eating, but it made my mouth water in anticipation. Don't miss it.

Our table got a brief summary of the R.I. Convention in Japan and extended trip to China from **John Reynolds**, who had just returned the previous night and

was having a hard time adjusting to our time on this side of the world.

"Have you been to Cabela's? You've got to go see it!" Describing how word-of-mouth is the best advertising, Steve Collins, general manager of the Kansas City Cabela's store, gave an informative look at how the entertainment side of their retail business works. The huge, museum-type displays and on-floor demos encourage customer sales, while at the same time providing entertainment for full family visits. Collins said the average stay in the store runs from three to 4-1/2 hours.

Although there is huge expense in providing these outlets, averaging 225,000 to 250,000 square feet, three new stores are in the works that will make a dozen throughout the country, selling you a fishing rod while your wife and kids marvel at the mountain goats.

raise money for the Rotary Youth Camp and other children's charities. She was awarded Committee Chair of the Year in 1998-1999 and again in 2001-2002. **Sally** is a Paul Harris Fellow and a Kansas City Rotary Club Foundation Senior Founder.

Sally is active in District 6040 activities and has chaired the District Friendship Exchange and Recreational & Vocational Fellowship Committees. She served on the Polio Plus Subcommittee and the Annual Giving Subcommittee.

Until recently, **Sally** was a training consultant specializing in customer service. Previously she was director of education & training for Transamerica Life Insurance and, in the early years of her career, she was a high school history teacher. She has an MBA from Rockhurst College and a BS from the University of Nebraska.

Sally and her husband, Bob, have four children and three grandsons.

Sally will assume office this Thursday evening at the Changing of the Guard banquet at the American Royal Ambassador Room. You should be there.
