"WATER FOR THE WORLD: A ROTARY GOAL" JAN CREIDENBERG, CHAIRMAN, WATERPARTNERS INTERNATIONAL BOARD OF DIRECTORS

More than one billion people lack access to a safe supply of drinking water. Water related diseases are the leading cause of death in the world. This killer takes the lives of more than 14,000 people each day and is responsible for 80% of all sickness in the world. Compounding the problem is the fact that more than 50% of all water supply projects in the developing world fail.

Jan Creidenberg, Senior Vice-President of Fleishman Hillard International Communications, has had extensive experience in health marketing management while at Aventis Pharmaceuticals, Marion Merrill Dow Europe and other companies.

LAST THURSDAY --
September 15, 2005

by
 Pete Burgess

A foretaste of fall, this rainy day of September 15th when President **Tom Terry** opened Club 13's return to the Trianon Room at the Muehlebach. **Charlie Huffman** led us in song to the accompaniment of **Carl Bolte** who played despite recent eye surgery

President **Tom** led the pledge of allegiance then **Mary Lou Nash** offered the invocation. **Satu Stechschultz** welcomed our only guest.

Tony DiPardo is home from the hospital following injuries suffered in a fall down stairs. We send our heartfelt regards to **Tony** and pray that he soon heals and makes a speedy return to our midst.

President **Tom** recognized the many contributions of **Bob Weir** for 25 years of Rotary Service Above Self. **Bob** seems to have made untold responses to Club 13's cries for help, including his creative design and scale modeling of the Rotary

float.

Dick Harmes, Committee Chair of the Camp Enterprise Committee, thanked all who contributed their time to a very successful session last week. Members who participated at Camp Enterprise stood and were recognized. Club 13 thanks **Dick** and his committee for their hard work that made the Camp Enterprise successful.

Guest Day is Oct. 13 when our featured speaker will be John Randolph Hubbard, an authority on the history of British India and Indo-U.S. relations. Among many honors, John was the eighth president of the University of Southern California.

Past President **Rick Beyer** introduced sponsors who, in turn, introduced three of our new members. We are pleased to welcome **Neil Barnett, Vivien Jennings and Gene Zachman** to membership in Club 13.

President **Tom** introduced R. Crosby Kemper III who shared interesting excerpts from careers in banking, writing, teaching, and his present position as Executive Director of the Kansas City Public Library. Although his topic was billed as "The Future of the Library", he added sidebars like the story when he led a committee to put natural grass in Kaufman Stadium. Crosby drew from history to establish the merits and power of a library, spoke of innovations to come, and described the societal functions of current and projected library buildings. We got a brief introduction to the Country Club Plaza library and learned about his passion for a decidedly high tech library.

.See you all next week.

Birdies for Charities

Many thanks to those Rotarians who participated in the Birdies for Charity program that was associated with the Bayer Advantage Classic.

Our Rotary Youth Camp netted **\$7,739.69** for camp operations.

There were a number of Rotarians who forgot to remit their check, consequently, the amount was less than the figure we submitted initially.

If you overlooked or missed your pledge card, you can still remit a check payable to the Rotary Youth Camp for the amount you pledged.
