"LIFE AFTER A STROKE"

SHIRLEY ROSE, CO-FOUNDER, AMERICAN STROKE FOUNDATION

Shirley Rose, who with her husband Stan Rose co-founded the Sun Publications suburban newspaper group, is also co-founder of the American Stroke Foundation. Shirley and her daughter, Robbie Small, caregivers of Stan Rose, who suffered a series of debilitating strokes beginning in 1995, responded to a need for hands-on services to assist stroke survivors.

She envisioned a place where stroke survivors and their families could come together to improve their quality of life and enrich one another's lives in a comfortable and welcoming setting. ASF first opened

its doors in 1997 in a house, and has recently moved to an 8,000-sq.-ft. stroke center in Mission. A second site has been opened in the inner city for that underserved population, and Shirley's dream is for ASF to become a national organization for stroke survivors.

Mild temperatures and sunny skies seemed more like early spring than late December. But moving within earshot of the Count Basie ballroom dropped you right back into the Christmas spirit. The annual Tom & Jerri party sparkled with fellowship and conversation as the Salvation Army's Brass Ensemble punctuated the air with the sounds of holidays past and present. Thanks **Ted Dahlberg** for bringing us the ensemble and the most enjoyable music of Christmas.

President **Tom Terry** greeted us and presented three of the extravagantly expensive blue plastic wristbands designated as the "Service Above Self" award. The first, actually a re-do from last week, went to **Rick Kappa** for his diligent work on Club 13's Centennial Project. **Jerry Cooke** was honored not just for an outstanding year but for his years of efforts

spurring us on as bell ringers for the Salvation Army. A standing ovation echoed **Tom's** recognition and the thank yous went both ways with **Jerry** expressing his appreciation with Club 13 Rotarians always ready to answer the call to arms ... or make that "the call to bells." With the third SAS award **Tom** reached out beyond Club 13 to recognize special guest, PDG **Carl Chinnery**.

Apparently there really is an authentic Tom & Jerry drink recipe and you can get it from **Carl DiCapo**. **Carl** took the podium to say thanks, acknowledging you can always count on Rotarians. As most of you know, **Carl** and his crew have been diligently working to raise funds for the building of the Liberty Memorial museum and they were down to the last few dollars. **Carl** knew that Club 13 Rotarians would get him to the goal and after a few calls they hit their \$103 million goal right down to the last \$300 contribution. Good job, well done and kudos to all.

Prez. **Tom** stepped back to the microphone and dismissed us with a Christmas toast:

- Remember our blessings.
- Realize our achievements.
- Look forward to next year.

Hope you had a blessed Christmas. See you next Thursday.

The atmosphere was magical as Rotarians, spouses and some 70 kids and grandkids gathered for the revitalization of Kids 'n Grandkids Day at Club 13. The food was good, the kids were good and the entertainment by magician Devin Henderson was outstanding. Henderson's banter kept the kids' and all the Rotarians' attention as he flowed through some standard tricks but with lots of new twists. For example, he helped **Sally Bibb**

develop her skills manipulating the Magical Sponge Bob—or was it spongeballs. I know my granddaughter is still telling friends about his rappin' bunny in the top hat. I'm still amazed at the pink balloon doggy Lazarus "coming back to life" inside the brown paper bag.

Prez **Tom** kept the opening of the meeting short and sweet but we did get in the Pledge of Allegiance.

You know, I wonder how Devin Henderson got Myisha Heinen's card to stick to the ceiling of the Count Basie Ballroom? At the next meeting let's check if it's still there. See you next Thursday.

Rotary Night at the 'Roos!

Robert Thompson is coordinating an upcoming "Rotary Night with the 'Roos."

On Thursday, Feb. 23, at 7:00 p.m., the 'Roos will play Valparaiso at the Municipal Auditorium. This is the last home game of the season and should be an excellent conference match up with possible post season implications.

Club 13 attended a Kangaroos basketball game last year and had a great time. We will gather for dinner before the game at a restaurant yet to be determined. Tickets are only \$15 each. Call the Rotary office at 816/842-2322 or e-mail office@rotary13.org and order your tickets today. Mark your calendar for Feb. 23 to be a part of this fun group. Don't miss out!

Kids' & Grandkids' Day at Rotary

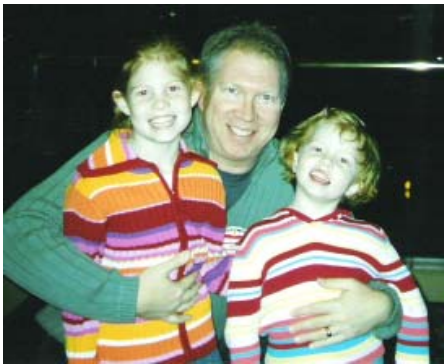

Our Kids' and Grandkids' Day at Rotary 13 was a sellout! Devin Hendersen delighted the audience, which included 80 kids (and grandkids). His program was very entertaining for all age groups. This was the first Kids' & Grandkids' Day since 2001.

President **Tom Terry** with his youngsters, Matt, Drew and Lauren.

Myisha Heinen, daughter of Rotarian **Tanja Heinen**, assists Devin Hendersen with his magic card trick.

President-elect-elect **Chuck Vogt** with his daughters, Sophie and Tessa.

Two-week old Wyatt, grandson of **Sally Bibb**, held by **Tony DiPardo** as Sally's other grandsons enjoy the magic show.

ROTARY YOUTH EXCHANGE

HELP YOUR 16-19 YEAR OLD YOUTH EXPERIENCE THREE WEEKS WITH A EUROPEAN HOST FAMILY

During these holidays help your 16 to 19 year old apply for the low-cost Rotary summer youth exchange in France, Germany or Sweden. Rotary International matches your youth with a student about the same age for a three-week home stay abroad next summer. After three weeks abroad, your youth's new European friend lives with your family the following three weeks. The quality of the European hosts has been outstanding and the contacts made through these exchanges have often created life-long friendships.

THE PROCEDURE:

- A.** Request a Rotary Short Term Youth Exchange application from your Rotary Club office or the Rotary District 6040 youth exchange coordinator listed below.
 - B.** Submit the completed application to your local Rotary club or to the district YE coordinator ASAP. First come first served. The deadline is March 15 (Feb. 10 for Sweden.) Include photographs. Order passport.
 - C.** A Rotary Club president must approve the application for the district coordinator. The coordinator then forwards the application to his Rotarian counterpart in the chosen European country for "matching." Both Rotarian and non-Rotarian families are welcome.
 - D.** About May, we receive the matched European youth's application. When you approve this match let your club, district and European host know you accept, then the youths start getting acquainted via e-mail and/or telephone!
 - E.** The District Youth Exchange Committee makes group travel arrangements and schedules a family orientation meeting in May to discuss travel rules, customs, etc. Probable travel dates: Leave U.S. July 6, 2006, return from Europe July 27. European youths leave the U.S. August 17.
- COST:** Only transportation (est. \$1300), Rotary approved health insurance (est. \$115), and personal spending money! Each host family agrees to provide room, board and entertainment for its visiting guest.
- Questions can be directed to Rotary District 6040 Short Term Youth Exchange Coordinator **William C. Buckner**, 6526 Pennsylvania Ave., Kansas City MO 64113; wbuckner @kc.rr.com; Voice and Fax: 816/333-8807.
