"It was one of the best Rotary parties ever" was the comment I heard from numerous Rotarians and guests as we celebrated the ushering in of Club 13's 98th President, **Charles D. "Chuck" Vogt**. It had to be good, as Pres. **Chuck** said, since being at the Boulevard Brewery, it was "The best beer, the best food, for the best Rotary Club in the World." And I might add, the best view of Kansas City from the outside patio, especially at twilight with the fantastic color light show on the face of the Marriott, and the rising spires of the Liberty Memorial and Convention Hall's four art objects penetrating the oncoming darkness

Inside two large screens presented thanks to Pres. **Rick** and the outgoing board members, Past Pres. **Tom Terry**, **Steve Burger**, **Fred Drummond**, and **Myron Sildon**, (who remains on as Pres-elect) and to **Jerry Clark**, as

sect.-treasurer. A pictorial flash-backs of the years events was followed with the new administration: Pres. **Chuck**; Sect. Treasurer **Doug Nelson**; and board members **Peter Ho**, **Rusty Macy**, **Diane Scott**, **Steve Corbin**, **Matt Meyer** and **Charlie Tryban**. It was a great presentation in spite of Janet's "choice" of Kenny Chesney, (*Is he a rotarian?*) and the much too quick flash of the Ukraine crew and that fantastic mural... Our thanks to computer guru **David McCaughey** (and Janet) for this bit of entertainment.

Along with Club 13's passing the gavel and the pinning of president's and past president's pins on **Chuck** and **Rick** respectively, we also honored our own Past President **Sally Bibb** as she assumes the governorship of District 6040. **Sally** will be the fifth Rotarian from our club in recent times, and we give her our full support.

Rotary's motto for the new year is "Rotary Shares." Pres. **Chuck** pointed to how Club 13 practices sharing in our involvement with the city, the youth camp, our families and the future. He concluded with a toast to our past leaders and the precedents established.

150 Rotarians and guests were delightfully entertained, thanks to our good-time chairman, **Dick Retrum** and committee; to member **Heather Minor's** great buffet table; to the Boulevard's Bully Porter to the Pale Ale; and it was good to see two of our new board directors still on duty as the bar closed and the guests had departed. How did I know this? I had to stay to make sure my report was complete.

**ROTARY NIGHT AT
 THE NELSON**

Your Entertainment Committee has arranged for a tour of the new Block wing of the Nelson Art Gallery. There will be reservations for 40 for dinner in the Rozzella Court. This will take place on Friday evening **July 20**. The tour starts at 6:00 p.m. and should be over at 7:15 p.m. The self-service dinner will start at 7:30 p.m.

This is your chance to see what everyone has been talking about. Is it a great new addition to a world class art museum? Or is it a Butler building taking up valuable space? Let's go find out. Let's experience this interesting space with people you know. This is another great opportunity for Rotarian fellowship.

Forty spaces will fill up quick.....so hurry and RSVP with Janet at 816-842-2322.

Bingo Prizes Needed!

Your Entertainment Committee is in the planning stages for this year's Family Picnic at the camp. It's scheduled to take place on Thursday, Aug. 30. One event everyone looks forward to is playing BINGO after the picnic dinner. The reason this is such a popular game is due to the wonderful prizes donated by Rotarians and made available to the winners of each round of bingo.

Now is the time for you to consider what you can offer as a gift. Please contact Janet or Marilyn in the Rotary office to let them know about the prizes you are offering. Arrangements will be made to pick them up from your location. This year's picnic is shaping up nicely. It should be a great family night for our club. B...4 you plan anything else this summer...plan to play bingo on Thursday, Aug. 30. Mark your calendars for this annual event. See you at the camp.

Camp Enterprise 2007 - Are you our volunteer?

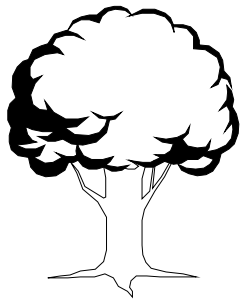

We are getting very excited for Camp Enterprise 2007. The Camp Enterprise Committee, chaired by Lori Hewitt, has been busy making sure everything will be ready for the Kansas City youths as they descend upon the Rotary Camp on Sept. 15-16.

The mission of the Camp Enterprise is to provide a weekend educational retreat to introduce high school students to an understanding of the dual role of business in our community and in our society. The camp was brought into existence in 1977 by local leaders in our Downtown Kansas City Rotary Club 13. We have helped over 2,000 students throughout the metropolitan area to become good citizens through this experience.

But we cannot do any of these activities without the help of you as our volunteer. If you have been in the club for any length of time, you have most likely helped out, whether it was helping prepare food or working directly with the youths. You know the value this creates for these young adults. This year will be no different. In fact we are expecting a large turnout of students and your help is needed.

You will be hearing more about this in the coming months, but if you can help, even for just one of the days, please let us know. You can contact our Volunteer Coordinator **Paula Willett** at pwillett@dfck.com.

Trees

Trees not only provide us with wood, paper, fruit, nuts, shade, natural beauty and a buffer against noise, they play an important role in earth's natural cycles. Trees capture carbon from atmospheric carbon dioxide and release oxygen.

Carbon dioxide is responsible for half the greenhouse effect, so trees act as a natural control against global warming.

A typical tree removes between 25 and 45 pounds of carbon from the air every year. Trees also

help prevent soil erosion and flooding. We need our trees!

What can we do? We can plant trees?

Choose trees to plant that will thrive under local conditions.

Consult your local nursery for tips on what trees to plant in your specific location, soil and water conditions.

Choose spots with adequate sunlight and water and protected from possible pests.

Water your new trees regularly!! Generally trees should be watered deeply and on a regular basis. Trees are most vulnerable in their first couple of years of life and should be tended with special care.

Go ye forth and plant trees!

Save the date!
Annual Golf Classic to happen on Monday, Sept. 24

Thank you for your participation in the 2006 Leon Triggs Memorial Golf Classic. With your help we raised over \$14,000 for the Rotary Youth Camp to benefit underprivileged youth right here in Kansas City.

We hope you will join us again this fall for a nice round of golf and dinner at the Rotary Camp.

Mark your calendars for **Monday, Sept. 24**, at the Fred Arbanas Golf Course at Longview Lake.
