LAST THURSDAY --
July 5, 2007

by
 Jim Holmberg

Falling in the middle of the July 4th week this meeting appeared as if it was just filling in time like a pre-season game before the start of the "regular season". But last Thursday's luncheon turned into a pretty good meeting even drawing an unexpected standing room only crowd.

New President **Chuck Vogt** smacked the bell and called us to order saying he was happy to welcome us to "the world's greatest humanitarian organization" and to the best Rotary Club in the World. On the way in we were greeted by Chuck and "a small but mighty contingent representing our newly inducted Board of Directors.

Harlan Stamper and maestro **Carl Bolte** led musical greetings to those with July birthdays and then piloted through a rendition of "My Country 'tis of Thee".

Prez **Chuck** set us on course with the Pledge of Allegiance. **Victor**

Hogstrom gave thanks that we could gather "for the benefit of all concerned" and invoked God's blessings on our new club leadership. **Marcia Bolton** introduced half a dozen guests and two visitors.

We learned from the sickbay report that **Don Patterson** and **Don Seifert** are still dealing with health concerns and that new member **Dick Brown** suffered an accident this past week.

Dick Retrum, Diane Scott, David McCaughey and **Heather Minor** were recognized for their excellent work on last weeks' Changing of the Guard event. **Chuck Vogt** confirmed that this years' international theme is "Rotary Shares". He said as downtown revitalizes he wants Club 13 to move forward adding both new members and new events. The first new event is supporting the Waddell & Reed Kansas City Marathon. The second new event will be participating in the largest Civil War reenactment in KC History, the Stand of Colors. Both events are an opportunity to raise funds to benefit the Youth Camp.

Many of the tables of Rotarians were able to discuss all four of the fireside meeting questions:

1. What is the reason you are a Rotarian?
2. What would you like to see Club 13 improve?
3. How can you contribute to making Club 13 better?
4. How do you benefit from being a Member of Club 13?

The table where I was sitting must have gone more into detail than most as we only got to cover the first two topics. But we learned that there are common threads of community involvement, heritage, camaraderie and business contacts that have drawn many of us to Rotary.

Not all comments were positive about "the best club in the world". We had vigorous discussion concerning areas where we saw needed improvement such as clarity to our fund raising strategy, better public relations to the community and recruitment and development of young members.

Each table had an appointed secretary to take notes for the Board of Directors and it will be interesting to see what they can do with the ideas expressed. See you next Thursday.

Camp Enterprise

2007 - Are you our volunteer?

We are getting very excited for Camp Enterprise 2007. The Camp Enterprise Committee, chaired by Lori Hewitt, has been busy making sure everything will be ready for the Kansas City youths as they descend upon the Rotary Camp on Sept. 15-16.

The mission of Camp Enterprise is to provide a weekend educational retreat to introduce high school students to an understanding of the dual roles of business in our community and in our society. The camp was brought into existence in 1977 by local leaders in our Downtown Kansas City Rotary Club 13. We have helped over 2,000 students throughout the metropolitan area to become good citizens through this experience.

But we cannot do any of these activities without the help of you as our volunteer. If you have been in the club for any length of time, you have most likely helped out, whether it was helping prepare food or working directly with the youths. You know the value this creates for these young adults. This year will be no different. In fact we are expecting a large turnout of students and your help is needed.

You will be hearing more about this in the coming months, but if you can help, even for just one of the days, please let us know. You can contact our Volunteer Coordinator **Paula Willett** at pwillett@dfckc.com.

Bingo Prizes Needed!

Your Entertainment Committee is in the planning stages for this year's Family Picnic at the camp. It's scheduled to take place on Thursday, Aug. 30. One event everyone looks forward to is playing BINGO after the picnic dinner. The reason this is such a popular game is due to the wonderful prizes donated by Rotarians and made available to the winners of each round of bingo.

Now is the time for you to consider what you can offer as a gift. Please contact Janet or Marilyn in the Rotary office to let them know about the prizes you are offering. Arrangements will be made to pick them up from your location. This year's picnic is shaping up nicely. It should be a great family night for our club. B...4 you plan anything else this summer...plan to play bingo on Thursday, Aug. 30. Mark your calendars for this annual event. See you at the camp.
